## Curriculum Vitae

**RICARDO RAFAEL CORREA MARQUEZ, M.D., Es.D, F.A.C.P., F.A.C.E., F.A.P.C.R., C.M.Q.,  
A.B.D.A., F.A.C.H.T.**

---

**POSITION TITLE:** Program Director, Endocrinology, Diabetes and Metabolism Fellowship  
Assistant Professor of Medicine, University of Arizona College of Medicine-Phoenix  
Staff Endocrinologist, Phoenix Veteran Hospital (VAMC)  
Assistant Professor of Medicine, Mayo College of Medicine, Mayo Clinic Arizona

**ADDRESS:** 14118 N 12 St, Phoenix AZ, 85022

**PHONE:** +(1) 786-246-5719

**E-MAIL:** riccorrea20@hotmail.com

**LINKEDIN:** [www.linkedin.com/in/ricardo-correa-md-facp-facr-cmq-48a35018](http://www.linkedin.com/in/ricardo-correa-md-facp-facr-cmq-48a35018)

INSTITUTION AND LOCATION	DEGREE (if applicable)	Completion Date MM/YYYY	FIELD OF STUDY
Pan-American Institute, Panama City, Panama		12/1999	Science
University of Panama, Panama City, Panama	MD	01/2006	Medicine
University of Panama, Panama City, Panama	Es. D	06/2008	Master on Education
University of Miami-Jackson Memorial Hospital, Miami, FL	Resident	06/2013	Internal Medicine
National Institute of Health, Bethesda, MD	Fellow	06/2015	Endocrinology
National Institute of Health, Bethesda, MD	Advance Fellow	01/2016	Neuroendocrinology

**SUMMARY:** Trained as a physician-scientist in Endocrinology, Diabetes and Metabolism at National Institute of Health with one additional year of research training in adrenal and neuroendocrinology. Trained as a research fellow in Tropical Diseases at Gorgas Memorial Institute for Health Studies in Panama City, Panama with a special focus on epidemiology and statistics analysis. Trained in clinical epidemiology and Evidence based medicine by Dr. Gordon Guyatt at McMaster University in Hamilton, Ontario, Canada. Experience working with underserved communities and developing project to improve prevention and care. Expertise in conducting clinical research in diabetes, hypoparathyroidism, Cushing syndrome, Cushing disease, Health care disparities, Obesity, Diabetes and genetics of rare endocrine conditions. Scientific background and experience with phases 1 and 2 of drug development with Kisspeptin at the NIH and as part of the collaboration with EPIVAX, Inc in novel antigen-specific immunomodulatory Tregitope-based therapy to address the underlying autoimmune processes in Graves' disease and Graves' disease-associated ophthalmopathy. Medical Education background as member of the ACGME RRC in Internal Medicine, NBME, USMLE and local GME committees. Special interest in graduate medical education and physician wellness in USMG and IMG.

### QUALIFICATION HIGHLIGHTS

- ◆ Academic experience
- ◆ Medical journalism experience
- ◆ Medical Education training
- ◆ Internal Medicine and Endocrinology, Diabetes and Metabolism training with a focus on underserved population
- ◆ Health care disparities Leadership
- ◆ Certified in Medical Quality
- ◆ Leadership in GME
- ◆ Clinical Epidemiology training

**A. PROFESSIONAL EXPERIENCE**  
**ACADEMIC/SCIENTIFIC APPOINTMENTS**

**Assistant Professor of Medicine – University of Arizona College of Medicine-Phoenix 2017- present**

- Program Director of Endocrinology, Diabetes and Metabolism Fellowship
- Research Director-Diversity and Inclusion University of Arizona College of Medicine-Phoenix (UACOM-P)
- Director of Diversity for Graduate Medical Education-UACOMP
- Educational Director-Endocrinology, diabetes and metabolism division, Phoenix VAMC
- Simulation Instructor, UACOM-P
- Graduate Medical Education Executive Committee member, UACOM-P
- Wellness Sub-committee member, Graduate Medical Education, UACOM-P
- Endocrinology Resident Liaison for Internal Medicine Subspecialties, Internal Medicine Residency, UACOM-P
- Principal Investigator in the Study The use of telemedicine for weight loss in Underserved Communities in the Phoenix area
- Principal Investigator for the sub-study randomized control trial for the use of mifepristone to prevent insulin resistance in patients with Subclinical Cushing
- Clinical Investigator in collaboration with EPIVAX, Inc on the project novel antigen-specific immunomodulatory Tregitope-based therapy to address the underlying autoimmune processes in Graves' disease and Graves' disease-associated ophthalmopathy.
- Principal investigator in the proposal of expanding VIDA SANA program to the entire country

**Assistant Professor of Medicine-Warren Alpert Medical School of Brown University 2016 - 2017**

- Co-Principal Investigator in the study VIDA SANA: a peer to peer strategy to control diabetes mellitus in Hispanic population
- Volunteer Physician for the Clinica Esperanza. A free clinic that served underserved populations.
- Associate Investigator for the PARADIGHM (Physicians Advancing Disease Knowledge in Hypoparathyroidism): A Natural History Registry for Patients with Chronic Hypoparathyroidism. Funded by NPS Pharmaceuticals
- Associate Investigator for An Open Label Study to Assess the Safety and Efficacy of COR-003 (2S, 4R-Ketoconazole) in the Treatment of Endogenous Cushing's Syndrome. Funded by Cortendo AB/Cmed
- Associate Investigator for Non-Interventional Study for the Generation of Long-Term Safety and Efficacy Data of Pasireotide S.C. in Patients with Cushing's Disease (Post-Authorization Safety Study). Funded by Novartis Pharmaceuticals

**NATIONAL INSTITUTE OF HEALTH, Bethesda, MD**

**Clinical and Research Fellow Endocrinology – NIDDK/NICHD 2013 - 2016**

- Associate Investigator for the project the Role of glucocorticoid in hypothalamic axis
- Associate Investigator for the 97-CH-0097 protocol on Genetics of pituitary and adrenal disorders
- Volunteer physician at Suburban clinic: a free clinic that served Hispanic underserved population.
- Principal investigator for Biochemical behavior of macroadenomas in pediatric patient with Cushing disease
- Associate investigator for Metabolic complications of hyperaldosteronism: a comparison pre and post treatment in Latino and African American Population.
- Associate Investigator for the protocol Endocrinology Teaching protocol 00-CH-0127

**UNIVERSITY OF MIAMI-JACKSON MEMORIAL HOSPITAL, Miami, FL**

**Internal Medicine Resident Clinical Research Track 2010 - 2013**

- Co-Investigator for the Peer-led and Telehealth Interventions for Diabetes Prevention and Management Investigation in Latino population in Miami.

**GORGAS MEMORIAL HOSPITAL FOR HEALTH STUDIES, Panama City, PANAMA**

- Research Fellow in Tropical Disease and Epidemiology** **2008 - 2010**
- Associate Investigator for Febrile Prevalence in the population of Sona y Tonosi. Panama 2005-2010. Grant: \$500,000 from the NIH (administered by the University of New Mexico)
  - Associate Investigator for Central American Public Health Institute. Participation of National Public Health of Mexico (INSP) and INCIENSA from Costa Rica. Grant: From International Public Health Network
  - Principal Investigator and leader of the Panamanian Bibliographic Access. Sponsored by the Panamanian National Secretary for Science and Technology (SENACYT)
  - Associate Investigator for the Panamanian Cardiovascular Diseases Associated Risk Factor. Grant: \$500,000 from the Minister of Economy and Finance (MEF) Panama

**PANAMANIAN COCHRANE CENTER (COCHRANE COLLABORATION)**

- Center Co-Director** **2008 - 2010**
- Managed and coordinated all the systematic reviews produced by Panamanian Center
  - Reviewed and taught Cochrane Systematic review methodology
  - Managed contracts with academic collaborators interesting in development systematic reviews

**B. PROFESSIONAL DEVELOPMENT**

- Presidential Leadership Scholar (PLS Program)** **2019**
- Multiple courses on leadership and grant writing** **2013 -**  
NIH, NMA, AMA
- Certified in Medical Quality** **2017**  
American Board of Medical Quality
- Certified on Clinical Research** **2017**  
Academy of Physicians for Clinical Research and National Board of Medical Examiners certification
- Quality Improvement and Right Care Fellowship** **2016**  
Lown Institute
- “Future Leaders in Research (FLARE)” Leadership Program** **2016**  
Endocrine Society
- John Hopkins University, Bloomberg School of Public Health, Baltimore, MD** **2016**  
Systematic Review and Meta-Analysis course
- National Institute of Health Clinical Center, Bethesda, Maryland** **2015**  
Introduction to the Principles and Practice of Clinical Research
- Introduction to Basic Science research and animal models** **2014**  
National Institute of Health
- Foundation of Translational Research Course, University of Miami** **2013**
- Bioethics in Research Fellowship by UNESCO** **2010**
- Evidence-Based Medicine fellowship** **2008 - 2010**  
International Health Central American Institute Foundation (IHCAI)
- Online Editorial Process and Open Journal Systems Fellowship** **2009**  
LATINDEX  
(Regional Informatics Service for Scientific Journals in Latin America, the Caribbean, Spain and Portugal)

**C. POSITIONS/MEMBERSHIPS/HONORS/EDITORIAL EXPERIENCE**

**POSITIONS AND EMPLOYMENT**

- 2008-2009 Assistant Academic Director, Regional Center for Influenza Knowledge. Gorgas Memorial Institute for Health Studies (sponsor by the US Human and Health Department (HHS)). Panama
- 2008-2010 Assistant Professor, Epidemiology. School of Medicine. University of Science and Technology (ULACIT). Panama City. Panama
- 2008-2010 Assistant Professor of Biostatistics. School of Medicine. Latina University. Panama City. Panama
- 2011-2013 Clinical Instructor of Medicine, Miller School of Medicine, University of Miami, Miami, FL

2016-2017 Volunteer physician, Hope Clinic (underserve clinic), Providence, Rhode Island  
 2016-2017 NIH Special Volunteer, Bethesda, MD  
 2016-2017 Faculty, Bryant University, Physician Assistant School  
 2016-2017 Faculty, Johnson and Walles, University Physician Assistant School  
 2014-present Volunteer Researcher, Gorgas Memorial Institute for Health Studies. Panama City, Panama  
 2014-present Visiting Professor, Medical School, University of Panama, Panama City, Panama  
 2017-present Staff Endocrinologist, Phoenix VAMC  
 2018-present Simulation Instructor, University of Arizona College of Medicine-Phoenix  
 2018-present Adjunct Faculty, Northern Arizona University, Physician Assistant School  
 2018-present Associate Clinical Professor, Creighton University, Regional Campus, Phoenix  
 2018-present Member of the Diversity and Inclusion Committee of UACOM-P

**OTHER EXPERIENCE AND PROFESSIONAL MEMBERSHIPS**

2010-present American Medical Association (AMA) member and HOD delegate  
 2010-present American College of Physician member  
 2010-present National Hispanic Medical Association (NHMA) member  
 2011-present World Medical Association-Junior Doctor Network associate member  
 2012-present American Association of Clinical Endocrinologists (AACE) member  
 2012-present Endocrine Society member  
 2012-2013 Chair, Council of Resident and Fellows, FL Chapter  
 2013-present American Thyroid Association member  
 2003-present ACP member  
 2014-2016 Residency Review Committee Internal Medicine Member, ACGME  
 2014-2015 Fellow-in-training, Board of Director  
 2015 Moderator Jeopardy, 2015 AACE Annual Meeting  
 2014-2015 Technology Committee Member  
 2014-2015 Legislative and Regulatory Committee member  
 2014-2015 Academic Endocrinologist Committee member  
 2014-2015 Health Care Disparities Committee member  
 2014-2015 Vice-Chair, Fellow-in-training Committee  
 2014-2018 Fellow-in-training Committee member  
 2014-2018 CME Committee member  
 2015-2016 Chair, Leadership subcommittee for the Council of resident of the Accreditation Council for Graduate Medical Education  
 2015-2016 Early Career committee member, Endocrine Society  
 2015-2016 Speaker, American Medical Association, Resident ad Fellow Section  
 2016-2017 Rhode Island Medical Society council member  
 2016-2017 American Physician Scientist Association Board of Director  
 2016-2017 Duty Hour and Fatigue, Mitigation Task Force, ACGME member  
 2016-2018 Chair. Young physician subcommittee, AACE  
 2017-2018 National Hispanic Medical Association, International Medical Graduate task force founder  
 2015-2019 National Board of Medical Examiners (NBME) Board of Director, Membership  
 2017-2019 USMLE composite committee member  
 2017-2019 Academy Physician Clinical Research board of trustees  
 2017-2019 ASRT Scientific Reviewer Subcommittee member  
 2018-2019 National Hispanic Medical Association, Council of Young Physician chair  
 2018-2019 National Hispanic Medical Association, board of director  
 2018-2019 National Member of the Postgraduate education of the American College of Physician  
 2018-2019 Scientific Committee for American College of Physician 2020 Annual Meeting  
 2018-2019 Jeopardy Writing National Committee member  
 2018 Alliance of Internal Medicine Academic Doctors (AAIM) Spotlight member  
 2017-2020 NBME –International board member and NBME IFOM question writer  
 2017-present Publication Core Committee, Endocrine Society, Member  
 2018-present Association of Program Director of Endocrinology Member  
 2018-present Chair, Early Career committee American College of Physician, AZ chapter

2018-Present American Medical Association, International Medical Graduate Section, Governing Council

2018-2019 Vice Chair, CME Committee American Association of clinical Endocrinology (AACE)

2018-2019 Clinical Practice Guidelines Oversight Committee Member AACE

2018-2019 Bariatric Surgery Guidelines Committee Member(AACE)

2018 Moderator and Chair, Young Physician In-depth Symposium, 2018 AACE Annual Meeting

2018-present AACE AZ Chapter member

2018-2019 Arizona Medical Association Board of Director

2018-2019 Chair, Scientific Poster Presentation. Arizona Chapter AACE

2018-present ACGME Task force on Wellness for IMGs

2018-present Publication Committee, American Thyroid Association.

2018-present Secretary, Academy of Physician for Clinical Research (APCR)

2019-present American Board of Medical Specialties Stakeholder board

2019-present National Hispanic Medical Association Membership Chair

2019 Moderator and Speaker of FLARE program, Endocrine Society

2019-present Founder and deputy editor of the Journal of National Hispanic Medical Association

2019-present Member of the ACGME Milestone 2.0 Task force

## **HONORS**

2011 "GOLD Doc" Award from Arnold P. Gold Foundation for Humanistic doctor

2011 "Best Researcher Intern award" from University of Miami-Jackson Memorial Hospital Internal Medicine Program

2012 American College of Physician Florida Chapter, "Gary F Izzo Scholarship Award"

2012 The North America Menopause Society/Pfizer Medical Resident and Fellow in-training Reporter Award

2012 Alpha Omega Alpha Honor Society Inductee

2013 "Eric Reiss Internal Medicine Award". University of Miami-Jackson Memorial Hospital, Internal Medicine Program

2014-2015 "Chief Fellow". Endocrinology Diabetes and Metabolism, National Institute of Health (NIH) Inter Institute program

2015 "Inspirational Physician Award" from the Women Physicians Section of the American Medical Association

2015 American Association of Clinical Endocrinologist (AACE) Fellow-in-training recognition

2015 National Hispanic Medical Association Resident of the year

2015 Research Meeting Travel Award - Endocrine Fellow Foundation

2016 "Early Career Award" from Endocrine Society

2016 Lown Institute Quality Improvement and Right Care Award

2016 Graduated from the Right Care educator program of the Lown Institute

2016 Certified in Medical Quality (CMQ)

2016 Certified in Medical Disability (ABDA)

2016 American College of Medical Quality Scholarly Award

2017 ACGME annual meeting speaker award

2017 NIH/NIDDK Grant awardee

2017 Rhode Island foundation Grant awardee

2018 PCORI- NHMA leadership research program awardee

2018 National Hispanic Medical Association, Young Physician of the year

2018 Program Director recognition by the University of Arizona College of Medicine-Phoenix

2018 National Medical Association-NIH leadership grant award

2018 Best Endocrinology Faculty of the year UACOM-P

2018 Recognition by AACE for been one of the members that is more active in the organization

2018 Inductee to the New York Academy of Science

2018. BNGAP speaker of the year regional meeting Phoenix

2018 Pituitary Society Inductee member

2018 AMA ambassador highlight

2018 AAIM spot highlight

2018 NHMA spot highlight  
 2018 APCR spot highlight  
 2019 Presidential Leadership Scholarship Award (PLS) for the work on Hispanic communities  
 2019 National Minority Quality Forum, 40 under 40 award, for work on minorities and medicine  
 2019 AAIM spot highlight for GME work

**CONSULTING EXPERIENCES**

2008-2014 Scientific Grant Reviewer  
 Panamanian National Science and Technology Secretary (PANAMA SENACYT). Panama  
 2011-2016 International Medical Scientific Grant Reviewer  
 Bolivian National Secretary of Science and Technology (BOLIVIA CONACYT). Bolivia  
 2011-2012 Grant Reviewer, Children Bureau (CB).  
 US Department of Health and Human Services (HHS). USA  
 2011-2012 Grant Reviewer, Office of Head Star (OHS).  
 US Department of Health and Human Services (HHS). USA  
 2016-2019 National Hispanic Caucus CHL2 program  
 2019 NBME Stemler fund grant

**EDITORIAL BOARD EXPERIENCE**

2018 Statpearl Medical Quality Section, Editor in Chief  
 2018 HumanDx project  
 2018 Society of General Internal Medicine FORUM editor  
 2018 Editor, Junior Doctor Network (JDN)-World Medical Association (WMA) Newsletter  
 2016 Endotext and Thyroid Manager Outreach Unit Director  
 2016 Editorial Board International Journal of Endocrinology and Metabolism  
 2016 Peer reviewer of multiple journal including JGIM, JES, JGME, IJCR, and others  
 2016 Cureus, Editorial Board  
 2016 International Editor, Editor for the Resident EBM section and Triage Editor, DYNAMEDPLUS  
 2015 Editor International Archives of Medicine  
 2015 Editorial Board Member. Revista Medical De Panama.  
 2012 Editorial board, International Journal of Case Reports and Images (IJCRI)  
 2010 Article Consultant. Interpretation of the Medical Literature Project, National Board of Medical Examiners  
 2010 Rater and evaluator of evidence based-Medicine articles. McMaster Online Rating of Evidence  
 2009 International Committee. Committee on publications ethics (COPE) active member  
 2006 World Association of Medical Editor (WAME) active member

**D. MILITARY SERVICE**

2016-present **RANK “MAJOR”**  
 Army Reserve (Internist, Endocrinologist and Physician-Scientist)

**E. DIPLOMAS/MEDICAL LICENSURE/FELLOWSHIP RECOGNITION**

2013 American Board of Internal Medicine  
 2015 American Board of Internal Medicine-Endocrinology, Diabetes and Metabolism  
 2016 American College of Medical Quality  
 2015-present Rhode Island Medical License  
 2018-present Arizona Medical License  
 2013-present Maryland Medical License  
 2008-present Panamanian Medical License  
 2016-present Certified in Medical Disability (ABDA)

## **Completed Research Support**

SENACYT (PANAMA)

Correa (PI)

2011-2014

Systematic Review titled: Melatonin in Premenstrual Syndrome. Cochrane Database of Systematic.

Grant given by the Panamanian National Secretary for Science and Technology (SENACYT) for the development of the first Cochrane systematic review from Panama.

Role: PI
